

Prairies East Sustainable Agriculture Initiative Inc.

Call for Proposals

Prairies East Sustainable Agriculture Initiative (PESAI) is calling for proposals from grass roots organizations, entrepreneurs and producers to receive funding and support for local projects. The projects must be value added, innovative or diverse and directly benefit the Eastman/Interlake agriculture sector.

PESAI can provide support and expertise in two ways:

- Funds up to \$5,000 and expertise for projects that add value to, or develop innovation, in agriculture and/or food products.
- Expertise and technical support for innovative projects that develop agriculture.

Projects must be completed by March 31, 2020.

For proposal information and application forms please contact us directly.

DEADLINE FOR PROPOSALS IS MARCH 1, 2019.

Innovation

Diversification

Value-Added
